## **DETAILED ACTION**

### ***Reasons For Allowance***

1. Claims 1 –7, 9-10, 14-39, and 41-45 are allowed. These claims are to be renumbered as 1-7, 8-9, 10-35 and 36-40, respectively.
2. The following is a statement of reasons for allowance:

Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest as a simulation system for generating a predicted performance for fabricated parts comprising: a rheological database, a mechanical degradation database, a computer coupled to said rheological degradation database and said mechanical degradation database for computing part performance predictions for a respective material with a predetermined geometry under predetermined processing conditions, partially based on said rheological degradation data and said mechanical degradation data; wherein a process window is generated by said computer using said mechanical degradation data and said rheological degradation data and a thinwall prediction in a mold is made.

### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
